Stagecoach routes 51 and 56 serve bus stops in Farmlands Way, about 500 metres from the Glen Close bus stop. A revised timetable will operate between Lewes and Hailsham, including an additional return journey. Stagecoach provide frequent local services between Hailsham and Eastbourne.

145 Newhaven town service

- The last journey on Mondays to Fridays will no longer be provided due to very low use.

166 Lewes-Offham-Plumpton-Wivelsfield Green-Princess Royal Hospital-Haywards Heath

- The journeys at 07:11 from Princess Royal Hospital to Lewes, 15:55 from Lewes to Haywards Heath, and 16:48 from Haywards Heath to Lewes, are all withdrawn due to low numbers of passengers. Route 168 (see below) is amended so as to provide service users in the Wivelsfield Green and Plumpton Lane areas with a replacement facility to connect with trains at Plumpton Station for Lewes. Most journeys will no longer serve Plumpton College. Some timing changes apply to other journeys and the last departures in each direction run earlier.

167 Lewes-East Chiltington-Plumpton-Ditchling-Hassocks-Burgess Hill

- The journeys at 07:35 from Lewes to Burgess Hill, and 16:30 from Burgess Hill to Lewes, are withdrawn. See service 168 (below) for part replacement services.

168 Village Rider circular service linking Burgess Hill-Ditchling-Plumpton-Wivelsfield Green

- A new Mondays to Fridays return service is provided, partly replacing certain 166 and 167 journeys (see above). The morning journey departs from Wivelsfield Green Coppards Close at 07:30, serving Plumpton Lane, Plumpton Green, Plumpton Half Moon, Westmeston, Ditchling, Keymer, Hassocks and Burgess Hill. This journey provides a connection to the 07:44 train from Plumpton to Lewes. The 15:50 journey is revised to depart from Burgess Hill Church Road at 16:00, running via Burgess Hill Tesco, Hassocks Stone Pound, Ditchling, Spatham Lane, Westmeston and then as the morning route in reverse to Wivelsfield Green. This journey is timed to depart from Plumpton Station at 16:36, so as to connect with the 16:29 train arrival from Lewes.

227 Five Ashes-Rotherfield-Beacon Academy Crowborough school service

- Compass Travel will no longer be able to provide this service, which is mainly used by pupils entitled to free home to school transport. The County Council will secure an alternative service provider to maintain the current service timetable.

228/229 Crowborough-Jarvis Brook-Alderbrook-Eridge-Tunbridge Wells

- Compass Travel took over the service from Seaford & District earlier this year, who had similar problems in trying to sustain the route, as did Arriva in 2016. Compass Travel's new timetable will be less frequent due to the need to make cost savings. It will however continue to serve the current route around Crowborough and Jarvis Brook, as well as to and from Tunbridge Wells. The journeys used mainly by Kent school children attending Tunbridge Wells schools will also be provided. The current 06:55 journey will no longer operate due to extremely low use (no passengers were carried when last surveyed).

231 Uckfield-Framfield-Blackboys-Heathfield-Broad Oak-Burwash-Etchingham

- The journeys from Uckfield at 17:15 and 17:50 are withdrawn and replaced with a new journey at 17:35 to Etchingham Station. The 17:00 and 18:03 journeys from Etchingham Station are retimed to depart at 16:45 and 18:20 instead. The 18:20 journey will run only as far as Heathfield, meaning that the last bus from Heathfield Fire Station to Uckfield will be 17:10.

261 Uckfield-Maresfield-Nutley-Wych Cross-Coleman's Hatch-Forest Row-Ashurstwood-East Grinstead

- Significantly revised timetable including the removal of the poorly used last journeys from Uckfield to East Grinstead at 18:05, and East Grinstead to Uckfield at 18:43.
